

6 Bedroom villa with views

Sítio dos Quartos - Loulé

This 6 Bedroom villa with beautiful Ocean and country views in excellent location within minutes drive to Almancil or Loulé city centre, close to all facilities and 10 minutes to the beach.

The property is probably the finest quality built with expensive Luxury finishes that would challenge any of the properties within this price range and location. It is a property praised by architects.

We as an agency consider it not only a superb villa but very fairly priced in the present market. To appreciate all of this property we recommend a viewing.
